EPAC	English For Professional And Academic Communication. Class group: CIM41
WD	Web Development . Class group: GOPTM1
CI	Information Coding (Class group: GOPTM1)
CC	Quantum Computing (Class group: GOPTM1)
ASO	System Administration (Class group : TIT41)
DVJ	Video Game Development and Artificial Intelligence (GOPTT1)
SD	Distributed Systems (Group class: TIT41)
IA	Artificial Intelligence: (Class group IWSIT22)

**Note 1:**

The number in parentheses next to subject's acronym is the classroom's number.

The codification XYZZ means:

X: is the building's number

Y: is the floor's number

ZZ: is the specific classroom's name

For example:

3105 means: Building 3, Floor 1, Classroom 05

**Note 2:**

The classrooms "CIC X", such that X=1=2=3=4 are located in Building 1, Ground floor
